

Welcome to the Tuggies Tele, a weeklyish view of what's been happening on and off the ground at the Mighty Tuggeranong Valley Cricket Club.

PRESIDENT'S INTRODUCTION FOR 2015/16

Welcome to Season 2015/2016!! As we defrost ourselves, weed our gardens and start to work on our beach bods, what better way to refresh our friendships and ignite our competitive fire than gearing up for a big cricket season.

We have lots happening around the club, particularly with Sponsorship; we are delighted to renew existing relationships with our long term sponsors the Vikings Group, The Good Guys Tuggeranong, Liquor Legends, MIT Automotive and Weston Indoor Sports. As well we are excited to welcome a new sponsor, Beyond Bank.

Beyond Bank are committed to supporting community organisations such as ours, and will provide competitive services and banking for all members and families. Contact details are provided within the newsletter for any enquiries! As always the more we can show our support for our sponsors – the more likely are we to keep them engaged with the club!

There will also be quite a few new faces around the club, so please take time to introduce yourself and make everyone feel welcome! We will be featuring some of the new faces around the club through the website/facebook/twitter!

We will be kicking off the social scene this season with Super Saturday on AFL grand final day – more details within!

Our website has now been integrated with Mycricket, and we will be adding content over the coming month. If you have any suggestions or would like to assist please contact Gregg Chambers or myself! The draws for the season are up on Mycricket, so please familiarise yourself with the dates and ensure as much notice as possible is given to selectors if you are unavailable!

I look forward to seeing you all over the coming weeks at training, and making sure that we are all fit and ready for round 1 – with the T/20 competition a knock out – there are no second chances!

CHISHOLM SNIPER

Hidden from view, the Chisholm Sniper has a feared reputation around the Chisholm playing grounds and many a victim's hamstring has been felled by this covert sharp shooter... Look forward to humorous/anonymous analysis from the sniper in the coming weeks...

Until the season starts, here are some of the Sniper's favourite @Gradecricketer quotes of the week:

Pre-season fitness: Yeah, because half an hour of Cardio on a weekend in July is the reason I average 14.7 with the bat

Captain said 'be selfish today lads', so I took 150 throwdowns in warm up, gave none, ran two partners out, threw away a start and then didn't score or do drinks. Job done...

Bradman averaged 99 on uncovered decks/no lid/batting with a toothpick – I average 16.4, batting on roads/\$900 blade/am scared to sweep.
