Match Reports:

1st Grade

Day one of the clash was washed out against Norths. With conditions looking much better on day 2 both teams were eyeing off the 6 points and a result was likely due to the 110 overs to be played in the day. Tuggies lost the toss and batted first on a slow but flat Chisholm wicket. We were off to a decent start making it to 2-132 before a standard collapse losing 5-6 left us going into the lunch break at 7-148. Main contributors at the top of the order were Amit (67) and Keithen (32).

Tuggeranong Valley Cricket Club thanks the following sponsors for their generous support

It was left up to Juggs and Matty Rogers to rescue the innings post lunch and they were able to do that with a partnership close to 50. Juggs was last man out on 44, leaving Adam Onus stranded on 0 and Tuggies with an interesting total of 213.

Our bowling innings started in familiar fashion with Grant Miller promising to bowl mid 120s after sending the skipper a msg during the week promising to lift 15ks. After an inside edge avoiding the diving Vane Tempest behind the stumps and going for 4, a half volley which rocketed to the cover fence and a full toss that was also dispatched, Norths were off to a flyer at 0-12. Then Grunter found his groove and produced some high quality swing bowling to remove 4 of Norths' top order. Big Dan also chipped in with a wicket, thanks to some very tight new ball bowling.

At 5-17 there were whispers that Tuggies would chase the outright result but as always, at the mention of an outright, things go pear shaped. Our newest debutant, current Sydney Thunder and ACT meteors spinner Erin Osborne unfortunately left the field after 1.3 overs due to split webbing. This also meant Firsts were down to 10 and with Norths reaching 5-130 those outright whispers had disappeared. Fortunately a drinks break brought about a mistake from one of the bats and opened the game up. We ended up playing cat and mouse with the rest of Norths' order and it came down to the final over, Norths needing 12 and us needing 1 wicket. With 7 required off the last ball Norths shut it down and the match finished in a disappointing draw. Unfortunately being a player down and missing a couple of chances in the field cost us big time. Still we made more than 17!

2nd Grade

With the match reporter cooling his heels (& calf) at home in week 1, it's a bit hard to elaborate on what happened! My cricket coming to the rescue again tells me Norths were 3/90 when the rains came...

Week 2 and we donned the compression socks to fight off the DVT from the extended drive out to South Sydney aka Harrison 2. Hesse got the red men off to a great start by snaring the prize wicket of old man McGurk early doors. From there Norths appeared more interested in taking time out of the game

PO Box 467, Erindale Centre, ACT 2903 • Telephone (02) 6292 1085 • Fax (02) 6292 1085

Tuggeranong Valley Cricket Club thanks the following sponsors for their generous support

rather than setting up a total. The eagles were crawling along at about 2 an over, thanks to some great bowling from Hess and Kean. Eventually they started to 'have a go', at the incessant and annoying urging of Tim Gray and the wickets started to tumble, Kean ending up with 2/23 and a run out and Hess also nabbing 2/44. Mick Vale was back to his best, hitting great zones and being rewarded with 2/30.

The Northsiders were all out for 242 with about 60 overs left in the day for the Valley to have a crack. Chasing that sort of total we knew we would have to start well.

4/33 is not starting well and the bus had been steered straight off the cliff. Saving us from total embarrassment was, ironically, a bus driver – Jason 'Honky' Hays. Winding back the clock Honks showed everyone how to apply themselves with the bat, and gave us a sniff of victory. Getting through the tough periods and punishing anything in his zone, Honks was looking the goods.

4/30 became 5/62 when Burgie pretty much blocked one to a very deep square leg on the fence. Next in was Tyler, Father and son combining for a 49 run partnership and giving us some hope, before Junior Honky had his stumps skittled. This sparked another TVCC collapse of 4/36. The demoted LRH (Last Round Hero) Hammond, was the next out, even copping a friendly send off from Kev Hogan's favourite Norths' veteran.

Norths were now right on top and our fate was pretty much sealed when Honks was finally dismissed, soon after, for 73 with Mick Vale the last member of the second collapse. Benny Haywood put some respectability back into the score with a great little cameo at the end, with 39 runs comprised of what seemed like 19 2's and a single!

TVCC were all out for 177 in the end. It will be a real struggle to make finals now and next week's clash with top of the table Ginninderra will be a must win.

3rd Grade

We arrived to Chisholm 2 all ready for a tough match against one of the competition's strong teams , who gave us a fair touch up in the one dayers earlier in the season. After clearing away the glass from a broken Vodka bottle at one end of the pitch, (if it's not syringes, its wet patches or glass) again everyone chipped in to get it clean and able to play. Well done lads and once again in particular Matt Reynolds. We decided we would like to have a bat but, promptly loss the toss and were surprisingly put in to bat. The outfield was extremely long and we knew playing shots along the ground was not going to give you value for your shot, but smart running might. The plan was to make around 180 off 54 and leave them 40 overs at better than 4 runs an over to chase and make them hit in the air to get them.

Curtis McMillian and Drew looked fairly comfortable against some very tight bowling early on. As was pointed out, this might also have been a first in the club, in so far as the opening combination would weigh in at excess of 200kg, but I am not so sure as we have had a number of large players in the club over the years and a couple may have beaten that by good margins. At any rate this could have been the heaviest opening combination ever in 3rd grade. Curtis M went, quickly followed by Curtis Taylor. Jesse Burge joined Drew and between them they started to wear down the bowling. Although only slow progress was being made, it was chanceless and progress none the less. Tragedy struck when Drew was struck in the ankle by a shot at the stumps and instead of throwing his wicket away, he retired hurt to get some ice on it and see if he could bat later on. Matt Reynolds and Jess continued to be patient and make slow but determined progress and while we were making less than 2 per over, we were grafting away OK on an awfully slow outfield. Jess was next to go and when Anthony Pezzullo joined Matt Reynolds, the bowling started to relax its tightness somewhat and Pezz played a couple of great swipes at loose leg spin and smashed 6's as a result. This released the brakes a bit and we started to score more freely. Ultimately, this proved to be our downfall as Pezz went being aggressive; this was certainly the right tactic and he was hitting the ball well, as did TK after a good start. Then Nemesy came and went with little contribution, and Reynolds was next to go for a pretty gutsy 20 odd. Swannie was in and joined by Drew struggling with his ankle but determined to help the side, Unfortunately he was only able to amble singles and hitting 4's was difficult, with their main strike bowler finding the ball reversing and bowling

very very well. Some late hitting by Joel Coates and Jacob Gillespie got us to a score of 113 and we dragged this out to 59 overs, so they needed 114 off 35, being over 3 an over. If we bowled well this would mean they would have to work hard.

Our bowling started well; an early nick through to the Keeper was not able to be held and it was the man who hurt us last time and he can punish you, so it looked like we may have missed our chance. Two overs later, the one legged Drew, standing in slips, has a rocket take the outside edge and fly to his left; he throws his left hand out, the ball flies up and over his shoulder, but the big man, moves like a young gazelle in the African plains, spins around and takes the rebound facing the boundary. That was all we were to see of Drew's athleticism as he departed the ground again with the sore ankle. Truth be known he was going off at the start of the over but as we didn't get the replacement ready in time he had to stay on.

Coatesy proceeded to pick up 2 quick wickets with full tosses; don't know how he does it but that must be about 10 of them this season. He certainly is the master of the full toss wicket. The first was a great c & b, the second I am still not sure how their skipper hit to a fielder. At this point we have their 2 main bats out and have them seriously under the pump and not scoring at all quickly. Jess Burge replaced Joel and was obviously was paying attention because he decided to bowl a full toss as well, and guess what, that get a wicket as well.

I must admit, I have been working on a line and length principle all year, only to find you should be bowling full bungers! Anyway, whatever works. Jesse in the middle of an inspired spell gets 3 more. Now they are in trouble, 7 down needing 50 and 10 overs to get them. We are a chance here. The pitch is flattening out and they close up shop, then tragedy strikes again and we put down a simple one which would have made it 8! We try hard for the remaining overs but with them making no attempt to force the ball it's a difficult proposition; we can't risk buying a wicket, and despite a few LBW shouts, we have to settle for a draw, which while somewhat disappointing in the end, showed we can guts out a game and put it to the better teams.

With 2 rounds to go we sit in equal 2nd place and hopefully get a few players back and can beat the 5th placed Ginninderra this week and claim a finals berth.

4th Grade

We won the toss and batted first. It was a solid start from the top 4. All looked fairly good despite Pooh being dropped twice and Catters playing some “interesting” shots. We moved the score to 3/85 before all hell broke loose and the dreaded lower order collapse turned up yet again and we lost 7/10 at the end. This prevented us turning a good start into a competitive score. Pooh (30) was the best with the bat with support from Catters (28) and Lincoln Keane looked a lot more comfortable in the middle, showing lots of patience to try and build an big innings. Youngster Aden looked relaxed and comfortable in the middle and was not out at the end as wickets fell all around him at an alarming rate. This was a very commendable effort from a junior in his first grade game.

The bowling and fielding was probably our best for the season. All were bowling to the field and the field was supporting them. Long finally got his slider landing in the right place and while he struggled for rhythm, Benjamin still looked likely to get a wicket. After several matches with inconsistent form, Caolyn bowled well this week and should have had a couple of wickets early on, with miss hits lobbing just out of reach on the field. Aden Cowie also impressed with the ball getting a well deserved pole and causing all batsmen some concern. It was a good effort from the whole team to dig deep and try to be competitive, despite the unacceptable batting in our innings.

As I’ve said on a number of previous occasions, we need to work much harder on making sure that we don’t lose wickets in bunches, as this is the key thing that is preventing us from building competitive scores and putting scoreboard pressure on the opposition. If the tail digs in and fights through the tough times, which makes them bowl another 25 overs, the score is 50 better and the pressure on them is considerably intensified. Then the good bowling we consistently demonstrate will get us competition points regularly.

5th Grade

A game that saw the Good Guys needing a win or at least a Net Run Rate improving performance in order to make the finals ended up as one of our most disappointing efforts for a long time.

The skipper won the toss and with a great bowling line up decided to bowl first with an eye on dismissing the Bad Guys cheaply and knocking the runs off quickly.

Five overs in and that plan was out the window; wides, full tosses, half-trackers and generally poor bowling allowed ANU Royal to get away to a flying start. Bowling change after bowling change was made all to no avail until Ali Anzer managed to get their David Warner caught at cow corner. Overall the standard did not improve a great deal. Our bowlers did not bowl at the stumps and our fielders did not want to get dirty.

Ali Anzer finished up with figures of 3/33 of 8 overs and Lummers coming back to finish with figures of 4/55. All up the Bad Guys managed 234 including nearly 6 extra overs due to wides.

All that I will say about the batting is well done to Manny Singh and Ali Anzer who put together a great last wicket 70 run partnership. Manny finishing on 25 and Ali capping off a great day for him with 19*. (TVCC all out 115 - Ed)

I assume everyone from the team is now part of the TVCC Social Club on Facebook and will go back and read last week's newsletter and start to practice all the things mentioned in the homework section.

To make matters worse we were 2 overs behind the over rate and had to chase the total in 43 overs, this is despite weekly lectures before the game, overly prompts to jog between overs, orders to run to position when the captain makes a change to the field etc etc etc.

One more thing for everyone to remember is that we are not playing Social Cricket, we are not playing City/Suburban Cricket, we are playing Grade
