Beyond Bank

Beyond Bank's Community Rewards Account is a special way for individuals and businesses to give to not-for-profit organisations like ours.

You simply open a savings account and nominate Tuggeranong Valley Cricket Club as the organisation you want to support. On your behalf, and at no cost to you, every year Beyond Bank will then donate a percentage of the annual average balances in these Community Reward Accounts to our club.

So the more supporters who nominate the Club as their beneficiary and the more they save, the more Beyond Bank gives back to us.

Since 2002, Beyond Bank has distributed more than \$2 million to sporting, educational, health and community groups across the ACT, NSW, South Australia and Western Australia.

For local sporting associations like us, these funds can help keep our club running and growing. When enough supporters get behind a not-for-profit in this way, they can raise enough money to meet their annual costs or undertake special projects. Last year a regional football club received a bonus payment of over \$20,000 through the Community Rewards Account.

Match Reports:

1st Grade

We bowled first against ANU after some team reshuffles. Vander's was really good with the new ball and so was Big Dan, who produced his best performance of the season with 4 wickets.

Big Dan picking up one of his four victims

Justin Barrington made his 1st grade debut and despite his body letting him down, he showed enough to suggest that he could be a dangerous bowler for many years in first grade if he can get things right physically.

Different Barrington but can't ignore a stump flying out of the ground!!! The skip with 2/29 off 10

Panda was also economical and accurate through the middle overs and along with Dan at the death kept ANU to a below par score. Matty rog produced another tidy 10 overs taking 2 wickets along the way. Fielding was excellent, first game where we haven't spilled a chance and there were some difficult catches taken - a big positive!

Batting was disastrous and the less said about it the better. The lone beacon of our innings was Amit who counter attacked and played some fantastic cricket shots under very tough circumstances, he ended up with 42 or nearly half our score depending on how you want to see it.

Onto 2 day cricket for the rest of the season and good luck to the 2's who play their one day semi next weekend, if you can get down and support the boys as they look to get some revenge for their t20 campaign.

2nd Grade

A hectic period for the Magoo's pre game with some selection late changes – After tearing up 3 different team sheets, I settled on my 12 even though I only

had 10 physically at the ground!!! Crush was recalled from 3's (sorry Nemsey) and Jugs was thrown on the team list as a "might get there after lunch".

With Crush at ANU South I duly lost the toss and was asked to have a bowl – Junior Hammo doing a great job as sub fielder for the first 10 overs or so – I bet he was telling all the boys at 5's about that one! With Justin Barrington called up to 1's just before the toss, the new ball went to Benji Flo (0/40 off 10) & 2 time TVCC Cup winner Adam Onus (0/33 off 8). The boys bowled without luck and ANU got off to a bit of a flyer with former 1st Grader Andrew Stead picking off anything overpitched to have ANU 0/86 at the first drinks break.

With ANU looking like they were on track for 300+ the skip rolled the dice and threw the ball to Kean (Yes, really!). What a masterstroke of captaincy that was! Channelling his long lost Sri Lankan cousin Evan Kellar, Kean proceeded to bowl on a spot, and allowed plans to be set. This accuracy was rewarded when Stead got frustrated by dotting up to the 2 short covers and blasted one over the top to Jayden Pappas fielding at long off. Kean finishing up with 1/41 (and a direct hit run out... Yes really!) from 8 straight overs when the ump deemed him a junior 'fast' bowler and he had to be spelled.

Timmy Floros at the other end started turning the screws (1/25 off 10) and the skip decided to take another punt by bringing on Crush. These two combined to drop a quick 10 or 12 overs on the hapless ANU batsmen who struggled to score during this period to bring the red men back into the game. Crush ending up with 3/20 including what we think was his 300th wicket for the club from 5 overs when the Chisholm sniper took out his hamstring BANG!

With Crush limping off we welcomed our 2nd sub fielder of the day in Yani Pappas whilst Adam Onus and Craig Devoy (2/15 off 6) closed out very well at the death, Jugsy turning up for the final couple of overs as ANU stumbled to 8/202 from their 50.

With uncertainty over Jugsy's available time at Chisholm he opened up with the incumbent T Flo. What followed was an absolute batting master class – T Flo on driving boundaries for fun and Jugsy winding back the clock with class shots all around the ground. The skip so relaxed with the progress he indulged in an icy pole and even let the ANU 12th man have one!

T Flo eventual missed a straight one to be dismissed for 62 off 40 rocks. Kean came and went quickly (doesn't matter – he's a bowler now) and was replaced by Benji Flo. Benji doing the two things he does best – Making batting look easy and denying team mates the chance for 100's. His 32 off about 20 leaving Jugs stranded on 92 off 70.

The good guys win by 8 wickets with over 20 overs to spare and sing a song!

3rd Grade

3rd grade arrived at ANU needing a double bonus point to give us a shot of finals. We lost the toss and were sent in to bowl on a dead pitch which didn't give the bowlers much to work with. Unfortunately we didn't bowl tight enough throughout the innings and ANU posted a score of 272 which was always going to be tough.

Needing the score in 18 overs for the double bonus point looked like a tough ask.

We had a solid start scoring at around 5 and a half an over for the first 15 overs although the loss of middle order wickets made the score out of reach. Unfortunately we had our overs reduced to 42 due to slow over rate although the penalty didn't prove to be the difference in the end result.

Extremely happy with our batting performance 6/182 off 42 overs and the new juniors are settling in to the challenge of grade cricket which is good to see. Jack Adamson batting extremely well hitting 20 odd not out and Jake hitting a few around for 65.

After a rain affected 1 day competition we are looking forward to the 2 day format.

4th Grade

Lost the toss and they decided to have a bat. We bowled well early with Long hitting the right spots, troubling the batsmen and Ben Cadden impressing with some significant hoop in his first time with the new rock. Both were rewarded with an early wicket and this was followed up by two wickets to Lummers who was bowling well and they were struggling at 4/34.

Unfortunately we were unable to press our advantage and they knuckled down with a very solid partnership of 90 odd. Eventually a range of bowling changes resulted in the partnership being broken with a couple of well-deserved wickets for Long and a brilliant direct hit from the boundary by Benny Cadden.

Back in the game at 7/143 with overs running out but unfortunately we then fell apart to some extent, bowling too short and letting them free their arms for big swings resulting in quick runs demonstrated by Billy going for 26 in one over. In the end they got 205. Lummers and Long grabbing 4 and 3 wickets respectively. We should have held them to something around 150!

Our turn to bat and we lost one early but David O'Keefe and Poo settled in to blunt the attack of the 2 meter tall bowler and the baseball pitcher! After pushing the score to 40 odd, David got a good one from their veteran and this was quickly compounded by a poor decision from one ump (admitted he got it

wrong after the game but that doesn't really help Tyler at all) and we were then in trouble at 3/55 - Still in the game but with lots of work to do.

Swanny and Poo combined for a solid and patient partnership of about 30 before Poo got a leading edge. Then the trouble started and we lost wickets in a hurry, 5/13 in the middle of the innings is not achieving the objective I set of not losing wickets in bunches.

At 8/99 we looked cooked but at least there was the opportunity for some quality batting practice of the best type – in the middle against another team. Long and Lummers took that opportunity batting for a dozen overs while putting on 40 odd. Both looked impressive against their opening bowlers and will have gained a lot from their time in the middle.

After Long got a god one, Ben Cadden tried to emulate his feats but mishit one and the innings was over. Notable scores were Poo 47, Lummers 30* and Swanny 21. No one else in double figures!

Even if I do say so myself, I think the skippers catch at short leg turned the clock back about 35 years!

We need to learn to be patient with both bat and ball. We tend to be chase a wicket or runs and in doing so we are going at the opposition rather than doing what we are good at and waiting for the loose ball or trusting our ability to frustrate the batsmen into a poor shot.

Playing our game and making the opposition come to us is a better option than pushing hard for wickets and runs as when we do that we are going at the opposition which is the exact opposite of what we need to do. Two day cricket now so more balls to bowl and face!

5th Grade

Our fifth home game in a row saw the skipper return to his usual form and lose the toss to the table topping Queanbeyan. The out-of-towners chose to bat which looked like it may have been the wrong decision after Richard Austin got one to move in from outside off to take leg and it was 1/1!

A couple of overs later and Manny Singh had their number 3 caught by Junior at point and we were looking good with QBN 2/15. Despite some more good bowling from Aussie/Ozzie (I don't know how you spell it) and Manny, the Bad Guys then shared a 90 odd run partnership. With more than 5 extra overs bowled due to wides and 5 dropped catches (and an absolute blinder from Brett Ivery in the slips) what should have been a manageable 180 odd blew out to 6/258.

With some dark art at work the QBN destroyer somehow managed to swing the ball in on a consistently good length. It was thought that bowlers were only allowed to swing the ball away in 5th grade but no one could find that rule in the book. In the first over the captain survived what felt like 6 LBW appeals and no one with the exception of Ev Boucher (42) and Shahid Khan (27 – with 4,6,6,4 etc) could manage to make it to double figures. 4 LBW decisions later and one of the more disappointing batting efforts of the season came to a close with the Good Guys losing by 145.

Out batsmen really need to concentrate on getting forward whenever possible on 5th grade pitches to try to take the LBW decision out of the game and also playing in the V early in our innings; each week we have 45 overs we can face and playing across the line early will not see us batting through the innings.

The bowlers really need to work at training on line, we cannot afford to give so many more balls to score off to our opposition. When at training we are doing just that training, we are not just having a bat and a bowl and maybe doing some fielding; we are there to improve our game. To achieve this we must have a goal in mind each session. Tell someone what your goal is and have them judge, advise, ridicule, whatever but keep working on the goal.

60 Seconds with the Sniper: Justin Haywood

How long have you been involved with TVCC?

Started in 92/93 season in the under 11's under the guidance of the great Bookie Hammond!!!

Share a highlight from your time at TVCC?

Hard to pick 1 but would have to say my first season in the seniors and cracking the 1st grade team and then winning the Konica Cup (when it was the 1 Day comp) and playing with club greats like John Robson, David Jeffrey, Stew Heaney, Dave Pullen, Greg Chambers etc.

What do you hope to achieve this year with TVCC?

Hopefully I can provide some experience and knowledge so our younger players continue to improve. And hopefully lead the 2nd grade side to a title or 2.

Best player you have played with?

Played with a few really quality players but the best would be Ross Taylor - Playing a 1 dayer for the Comets and the skipper Cade Brown has warned the team that this fella Mark Cameron bowled gas and had lidded him for fun a few times, Ross seemed to take this as a challenge and charged one of the first rocks he bowled and put him 1 bounce over cover into the fence!!!

Best player you have played against?

Peter Solway was a gun, only got to play against him twice but he made batting look effortless.

Player to watch for the future?

Jack Adamson - Good young all-rounder with a good head on head on his shoulders

Sent in on a green top – Who do you want batting for your life?

Batting for my life I will say myself, if I fail no one to blame but myself!!!

Bowling on a flattie – Who do you want bowling for your life?

Don't have the same faith in my bowling though so probably the big Donk, Ev Kellar

Skied ball in a GF – Who do you want catching for your life?

Sean Osborne... Jokes probs Michael Barrington

Favourite way to spend a day off?

with my family or down the coast having a fish!!!

Funniest person at the club?

this year would be Timmy Gray always good for a giggle...

Best flavoured cordial at drinks?

Tuggies red my friend

Favourite post match drink?

Carlton Dry

Best Dummy spit/funniest moment you have seen?

Dummy spit - Adrian Axtil getting out at Freebody and as punishment proceeded to walk as much of the oval as he could doing a handstand...

Funniest moment would be Ferg running DJ a new bat (or 12) in a pink thong and matching bra and Viking helmet, then throwing 6 - 7 bats and DJ and heading towards Kippax 2 to give them a bit of the action!!!

How would you spend your last \$20?

Probably 3 schooners and a fiver in Where's the gold!!!
