## LATEST CLUB NEWS

### *Welcome back Tin Tin!*

With the photogenic Charlie flying in this week we welcome him back and look forward to seeing what you do in red this season. We tried to get you an honour guard for your return but all we could muster was a Chappie. However, I hear he was looking sharp and ensured you felt welcomed upon arrival, what this means we have no idea. But hey you are here mate, which is all that matters. Please ensure we get around him this year by winning games as it is always a tough year for an Englishmen when it is an Aussie Ashes Summer watching their national side get touched up downunder!

*It's going to be a long summer!*

## AROUND THE GROUNDS

### *1<sup>st</sup> Grade*

So with first grade being far busier than the rest of us I'm having to make this up on the run, but I'm not going to let the truth get in the way of a good story.

### *Finals Replay!*

Mission – Beat Weston!

The day started well back at the home of cricket with Shane winning the toss and putting Weston in. It started well when debutant Ollie Anable removed Jono Dean for 9. From there Tuggies stayed on top getting regular wickets lead by Benji Floros who finished with 2/14. Weston crept to 6/116 off the 20. Highlight of the innings Chappie held a catch!

The chase started in the worst way with Jugs snicking off to a ripper of a rocket from the gentle medium pacer.... 1/0. Enter Amit "Lumberjack" Sharma and his willow tree. Amit 36(39) and Timmy Floros 55(53) got the chase back on track before the wheel wobbled when both were removed and Chappie 2(5) basically shouldered arms on middle, Shane 2(2) smoked a full toss to deep square and Barra 0(2) kicked one in front of middle, losing 5 wickets for 26 runs. Benji 12\*(12) and TVT 2\*(3) got Tuggies across the line with 4 balls to spare.

Mission complete

### *Across the border!*

Off to Queanbeyan and Tuggies into the field after losing the toss. Qbn off to a flyer and even with regular wickets the momentum. Ollie snared 2/33 with Benji, Shane and Nikesh all picked up one with a run out to TVT. Qbn finished with a defensible 6/152 off the 20 overs.

The chase started better but only just losing our first with only 6 on the board. Willow Tree Sharma tried to wrestle some momentum with a quick fire 21 from 11. But from here the middle order came and went quickly, Chappie

# The Tuggies Tele

Welcome to the Tuggies Tele, a fortnightly view of what's been happening on and off the ground at the Mighty Tuggeranong Valley Cricket Club!

10(12) again losing his castle, Shane 9(9) reserved one to point, Benji 6(4) held out after clearing the fence with his only scoring shot, TVT 2(5) couldn't hang around and neither could Craig 2(3). Barra was playing a single hand in the chase and found good support from Nikesh 8(16) but once he and Logan 1(3) were lost it was over, all out for 123 off 16.2 over's. If only Barra had more assistance his 40 not out from just 24 might not have been in vain.

## *It's like a country game!*

Away to Eastlake with an outfield most country clubs would be proud of. Winning the toss and batting it was a good start. Jugs 51(44) and Timmy "Red Beard" Floros 22(26) got off to a solid start, and from all reports the outfield cost them runs, if you ask them it was plenty too. Jugs gave up hitting fours and decided to put a white ball into orbit. Unfortunately, they lost the nice hard cricket ball somewhere in Cooma and replaced it with a "sponge". From here the middle order came and went, I've been told Shane absolutely smoked another full toss to deep square... déjà vu! Chappie at least kick one this time rather than missing it completely. But it was TVT who finished the innings with 29(22). Tuggies a respectable 6/130 off the 20.

The bowling got off to a solid start but couldn't put a lid on one of the openers. However, regular wickets kept Eastlake in check and some handy part timers finished them off. Jugs finished with the very tidy 2/17 with support from "Red Beard" Floros 2/20. Eastlake falling short with 7/122 from 20.

## *2<sup>nd</sup> Grade*

### *Study time!*

Away to ANU was our first assignment for the weekend on a hard but green wicket. Jake started well winning the toss and throwing the home side in on what could only be interesting to bat on. And it prove to be just that. Daniel Hesse (pre broken bone) and Adam Onus left off where they ended last season, bowling tight areas and giving nothing free away. Hesse delivered some of the tightest throw downs I've seen going for only 4 runs off his four over's. Onus got us on the board with two quick wickets which left ANU with some serious work to do at 2/6. Jake's first change paid dividends almost immediately as Big Dan Burgess struck early in his spell and then went on the break the back of ANU's batting collecting 4/20 from his four. Tom Perez chipped in with a handy 2/17 from his four and ANU could only manage 8/74 off the 20 over's. I'd like to say it started well with the bat, but let's be honest when do we ever do things easy? Logan Ayers and James Dyer fell in the same over to leave the team sitting in the dangerous position of 2/11 which didn't improve shortly after when Kean Senaratne fell with the team on 14. Enter Jake "run machine" Floros with Matty "can drive" Rogers who saw the team home with some smart calculated stroke making chasing down the target in the 14<sup>th</sup> over. Matty finished with 28\*(34) and our fearless skipper Jake ended on 31\*(30). The highlight of the morning was Kieran "I hate Panda's" Monger taking a hanger off Big D from the inside edge off the batsmen, after struggling to hold a challenging regulation dolly off Alexander Floros.

### *Homecoming to forget!*

Off to Chisholm we go, beaming with confidence after our win. Jake continued the winning with the toss, however from that point it is vastly a different story. Train smash is a good way to explain what happened next. It was going to be tough protecting the short boundary but not sure a bigger boundary would have helped as Queanbeyan piled on 191 off the 20 over's for the loss of only 4 wickets. Dan Burgess was the stand out with the ball claiming 2/23 off his four and was well backed up by Sam "Fresh" Dwyer playing only his second game for the club when he claimed 2/33

off four. Alexander "don't bowl there" Floros deserves a special mention for taking the job (getting given the job from his brother) to bowl the last over with a free swinging left hander batsmen hitting to the short boundary, I'm surprised Panda came back on Sunday to be honest. Anyway, to our batting! Hmm... where to start! Jake started with a quick fire 25(13) before some interesting umpiring may have cut a match winning innings short, we will never truly know but there was a lot of work to be done. Unfortunately from there we lost wickets at regular intervals killing any momentum. Big D deserves a mention for his handy hitting on his way to 23(14). Other than that we fell well short being dismissed for 114 in the 19<sup>th</sup> over.

## *Another Day Another Chance!*

Stiff and sore, from cricket I'm sure. Jake started well winning the toss and learning from the day prior, he batted. Syed Rizvi 11(16) and James Dyer 33(32) got us off to a steady start against Weston before Syed fell with the score at 36. From here we lost wickets again at regular intervals killing any real momentum to put on a big score. However, Logan Ayers 32(25) helped finish off with some handy stroke play and good running between the wickets to give us the very defendable total of 8/141 off our 20 over's. We started our defence in a steady fashion but probably lacked a bit of energy and the batsmen started to get on top. With the score at about 30 off 5 over's we thought we had a chance when Alexander "not bowling length" Floros found another edge that was ballooning to Daniel "Greyhound" Hesse who used some quick thinking to sum up the situation and decide not to catch the ball but put himself on the line with an injury to break play and take all the momentum away from the Weston batsmen. What an effort by Hesse as the 45 min break in play paid immediate dividends as Panda made the breakthrough, Weston 1/31. Oh wait it didn't stop there as Sammy Dwyer snared another to have Weston in trouble at 2/32. With some concern of where we would get over's from without our strike weapon, Jake turned to Kean "golden arm" Senaratne who forgot we were playing outdoor, but bowling for the run out worked at James "can wrestle" Dyer fell on and fumbled the ball at cover before some 'Yes No Sorry' calls cost Weston another wicket. Not to be undone Jake "one and done" Floros chipped in with another run out with a one hand pick up from point to throw to Matty Rogers to take bails off with another Weston batsmen caught well short. Weston 4/65 after the two run outs never really recovered. The tight bowling continued and was backed up well by some good fielding, well mostly. Poor Tommy "red ball" Seaman almost cost himself the chance to have children running hard onto the ball but forgetting to use his hands before the ball hit his midriff. It didn't hurt the team as Weston fell well short being dismissed for 94 off 19 over's. Wickets were shared around between, James Dyer 3/10, Sammy Dwyer 3/18, Matty Rogers 2/17, and Alexander Floros 1/17 (off more than one over this time, well done Panda).

## *3<sup>rd</sup> Grade*

### *Game 1 V Eastlake.*

We won the toss (please note this), and batted.

A brisk but solid start between Syed Rizvi 43 and Dave Bickerton 28 got us to the 9<sup>th</sup> over before Syed was dismissed. Enter Jayden Pappas.....from this point it was the Jayden Pappas show. Great timing and power to just about all parts of the ground, bullet like 4's along the ground and massive 6's. It almost seemed like a non-event when his partners were dismissed doing the team contribution bit at the other end, However Bicko did a great job in staying with him until the late overs. Some late order contributions from GL and John Evans as the Jappas carnage

# The Tuggies Tele

Welcome to the Tuggies Tele, a fortnightly view of what's been happening on and off the ground at the Mighty Tuggeranong Valley Cricket Club!

continued dragged us along to 184. Jayden finishing up with 92 (or 84 depending on which book you look at), off only 40 odd balls. A brutally outstanding innings.

We started not so well with the ball, Ben Cadden showing a few nerves and a left hander putting him off, but with Greg Lemin at the other end he soon settled and eventually bowled a really descent spell. GL tore through the top order with 3 for 6, Syed assisted the rout with 2 for 8, Bhatti also chipped in with 2 for 23, and Guy Randall 1 for 10 and a run out. Lastly our debutant Toby Rogers showed he will be a great asset and took his first wicket for the club and bowled well given T20 isn't a great arena for leg spinners, but he did well and we can expect to see some really good things from him this season.

Eastlakes all out for 113

## *Game 2 V Queanbeyan*

We won the toss (this is 2 from 2 and a 100% record) I ask you to note this because I only won 2 tosses in the entire 2016-17 season; I have now equalled this in the space of 4 hours.

A very flat but slow wicket was on offer. Syed 28(29) and Bicko 5(18) again got us off to a reasonable, but slower start, but we lost Syed earlier and this again brought Jayden to the crease. He continued his form from the morning with some very lusty hitting and great timing including a massive 6 that hit the base of the gum tree in the carpark near the old change rooms, a huge hit. Jayden departed for a good 34 off 31 balls and we were going along nicely at about 6-7 per over and looking for about 135. A collapse followed and to be honest we struggled to make the most of our good start and scrambled to 124 with Guy Randell 14(9) taking a bit of control in the later overs to get us to a competitive score of 124.

Ben Cadden opened the bowling again and was immediately unlucky not to have the opener out. This was followed by taking the other opener a couple of overs later and finished with 2/17. Once again GL came into the attack with immediate results picking up a 2/16. Qbn consolidated and took the easy singles while making the most of anything loose and our air and ground fielding didn't allow us to make the most of our chances. We chipped away, taking consistent wickets, but these were between spells of them scoring good runs. Guy Randell rolled the dice back in our favour getting their captain out on his way to 2/23 and allowed us to apply pressure to their lower order, unfortunately, we didn't bowl as well as we needed to and let them score an over or two of easy runs and the game eventually hinged on the last over with them needing 5. To their credit their young batsmen played very positively getting an early 2, then another 2 and with us pushing for a run-out conceding an overthrow and losing the game with 3 balls to spare.

To say a few of us are well and truly over getting beaten in close games by QBN is an understatement, our revenge will come this year at some stage.

## *Game 3 V Weston Creek*

No mention of the toss (obviously we lost it).

They elected to bat. A very early run out from Bicks, followed by a wicket and then another had them on the back foot struggling for runs and now having to take risks to make a competitive score. Our middle game spell of bowling

# The Tuggies Tele

Welcome to the Tuggies Tele, a fortnightly view of what's been happening on and off the ground at the Mighty Tuggeranong Valley Cricket Club!

probably left a little to be desired, a bit short and wide which gave Creek the opportunity to consolidate. GL removed the troubling batsmen in quick succession and we were again on top. This gave us the chance to try some bowling options, again young Toby Rogers bowled well and was rewarded with a 2/21, as was Guy Randell who managed to be on his second hat-trick of the weekend at one point but finished with 2/7 5. We eventually finished their innings and had to chance 124.

With Syed in 2<sup>nd</sup> grade we had to change opening partnerships, this however didn't have the same result as the previous 2 matches with us losing a wicket first over. This was soon followed by the key wicket of our run machine Jayden, and now it was going to be up to the rest of us to get home. John Evans played a great innings of power hitting and smart placement and batted us through to the end finishing with 60 not out. He was offered some very able assistance from Sam Burge 18 and Toby 10 not out who helped tick the score board along, and we managed to fall over the finish line with 5 balls to spare. It was great to see us not rely on the same person to score runs and win the game and show we can win the tight ones.

**Now....on to the Semi Final!**

## ***4<sup>th</sup> Grade***

### ***TVCC Vs Eastlake at Deakin West.***

Well the season got off to a start for the lower graders with a fixture at Deakin West. The stand-in skipper won the toss and elected to bat on a very hard Deakin West with grass, never seen that before! We toiled our way to 6/118 from our 20 overs with contributions from the skipper (Crush) 37(36), Austin 32(17)(batting left handed) and Swannie 12(12) from the end. The umpiring was awful, with the first 6 decisions all being wrong! One umpire didn't obviously read the starting time and rolled-up halfway through our innings and first ball gave out Wayne Lucerne caught behind, awful. I gave him a zero for his performance!

We then had a go at bowling and it wasn't pretty, with Eastlake getting the runs in 13 overs, which wasn't helped by us bowling 16 wides and dropping 5 catches.

### ***TVCC Vs Queanbeyan at Chisholm 2***

Lost the toss and Qbn CC elected to bat on a good deck at Chisholm. Qbn ended up scoring 7/178. Good performance from Schumann with 2/22 on debut was the pick of our bowlers and we did take a couple of good catches in the outfield. Our batting was no match for the very good bowling of Qbn and at one stage we were 7/27. Our overall score of 83 was helped by another new boy Dom Bennett with 29(42) (5 x 4s) and R Hays 23(19) (2x 4s & 2 x 6s). Everyone else was outclassed. Another loss!

### ***TVCC Vs Weston Creek***

Sunday saw 4th grade taking on a Weston Creek side boasting a mixture of experience and youth. Losing the toss and being sent into the field, the Vikings bowlers set to work. Will Seaman and Swanny led the way with 2 wickets a-piece, while newcomer Brodie Schumann showed plenty of promise with a wicket from his 4 overs. Some fairly tidy work from the fielders also saw 2 run-outs and restricted the home team to 94 runs from their 20 overs.

# The Tuggies Tele

Welcome to the Tuggies Tele, a fortnightly view of what's been happening on and off the ground at the Mighty Tuggeranong Valley Cricket Club!

Paul and Wayne got straight to work chasing down the total, laying a solid platform for the middle order to work on. After a solid job with the ball Will also contributed with the bat, upping the tempo of the run chase with a few lusty boundaries before being run out by an impressive direct hit from deep long on. While it did take the wind out of our sails, Darky and Manny knuckled down to get the job done with a few balls to spare. Will top scored on 27, with Paul chipping in with 24.

All in all, a good performance from the boys in 4th grade to chalk up their first win for the season. Well done lads.

## TVCC FANTASY LEAGUE

With the start of the One Day games coming this weekend we now have a new TVCC Fantasy League set up. It will set you back a \$10 entry fee with a prize pool being roughly divided between 1<sup>st</sup> place with 60%, 2<sup>nd</sup> place 25%, and 3<sup>rd</sup> place 15% after "Jack". If you are unlucky like our fearless 1<sup>st</sup> and 2<sup>nd</sup> grade skippers were over the weekend and find yourself battling for "Jack" or last place, you will get your buy in back. Entries and alterations to your teams will close on the 27<sup>st</sup> October. Be warned changes to your team might cost you points, this is still an unknown.

*As it stands we have 14 entrants so far. This equates to 1<sup>st</sup> prize equalling \$78, 2<sup>nd</sup> Prize \$33 and 3<sup>rd</sup> Prize \$20 with Jack getting \$10 back.*

**Now!** For all those whinging about being \$66900 and saying something about Shane "Can do it all" Devoy having around the same points but being cheaper, too bad too sad buddy. The prices have been worked out using the One Day Champion player points from last season as shown by this table.

## THE GOOD OLE DAYS!

Tuggeranong Valley Cricket Club has been a part of Canberra Cricket since 1984 with a rich history. Here we will explore the stories of past players or past glory to share what makes this club great.

With headlines like "Election '90 Peacock ends on a high", "Hawke might limp in", and "Tenuous future as count resumes". The dates are 23<sup>rd</sup>, 24<sup>th</sup>, and 25<sup>th</sup> March 1990. A new Honda Civic with all the trimmings such as power windows, power steering, power mirrors and a stereo would set you back \$19990 drive away no hidden extras! The weather was a little early drizzle clearing with a maximum of 24 and to top it off you could buy a hilltop mansion in Isaacs for a sweet 680k or a 4 bedroom house in Melba for 113k. In sport New South Wales were routing Queensland in another Sheffield Shield win to the Blues.

But the headline on the 24<sup>th</sup> said it all:

## Tuggeranong edge back to give Q'beyan a fight

Tuggeranong playing the 1<sup>st</sup> Grade ACTCA grand final at Manuka Oval verse Queanbeyan. Sent in and grinding away early Tuggeranong finished day one at 7/230 with opener Paul MacPherson overcoming a blow to the head to compile 49. Under trying conditions Jackson continued to go for his shots and brought up a gritty half century with plenty of support from the lower order. Club stalwart Paul Nemes one of the men to see off a testing final twenty minutes to ensure Tuggeranong didn't lose anymore wickets.

MacPherson 58 and Nemes 50 gave Tuggeranong a decent total to defend by batting with little concern for the new ball lashing it to all parts according to the paper of the day. Albeit after Nemesy got hit on the toe early in that innings which broke his toe, and in his words "Just remember being hit flush on the front toe by Colin Crouch early in my batting innings, and not sure how I was not give out LBW. But not being able to stand, later found out the toe had been broken." But it was the bowling that gave Tuggeranong the upper hand reducing Queanbeyan to 6/76 before Neil Bulger fought hard for 60 not out at the end of the day. But all the credit to the Tuggeranong bowling attack who toiled hard after losing Nemes who succumbed the broken toe after 3 over's. Queanbeyan finished the day 8/193 with import Barry Jackson leading the attack with 3/53 supported well by Moore 2/30 and McElhinney 2/25.

Enter the final day. Queanbeyan all out for 214 with Barry Jackson claiming 5/58 before MacPherson 43 and the Tuggeranong Top order put the game out of reach scoring 2/88 resulting in the match being abandoned halfway through the final day.

***TUGGERANONG win their first 1<sup>st</sup> Grade Premiership!***

## Jackson: the Valley 'toast'

By GEOFF THOMSON

Englishman Harry Jackson would have been the toast of Tuggeranong last night after steering his adopted team to an upset victory over Queanbeyan in the ACT Cricket Association first-grade final at Manuka Oval.

Having gone into the game as underdog, Tuggeranong outplayed its highly fancied rival from the opening session of play to score a comfortable win by 81 runs on the first innings with Jackson the star with bat and ball.

Following on his 55 with the bat in Tuggeranong's first innings of 295 Jackson added the collapse of the Queanbeyan middle-order on Saturday then came back yesterday to remove the last two batsmen to ensure his side of victory.

Queanbeyan could muster only 214 in reply to Tuggeranong's first innings and in its second stint at the crease Tuggeranong had sailed along to 2-88 before the match was abandoned halfway through the second session of play yesterday.

While not enjoying the best of seasons with a back injury Jackson showed his class when needed and had most of the Queanbeyan batsmen in trouble as he returned the figures of 5-58 from 23.3 overs.

Jackson's effort was certainly a highlight of Tuggeranong's outstanding effort but it had plenty more to offer as Paul Macpherson conspired with numerous bumps and bruises to compile 58 and 43, Sean McEhin-

ney started the slide for Queanbeyan by capturing the first two wickets to fall and several strong efforts with the bat from Graham Weber, Paul Nemes and Mark Moore contributed to the strong first innings by Tuggeranong.

Very few people, other than a staunch Tuggeranong supporter, would have been game to predict the demise of the minor premier in such sensational circumstances and the situation could have been a lot worse for Queanbeyan had veteran Neil Bulger not shown his determination to fight the game out despite the near-hopeless cause.

Bulger's aggression gave Queanbeyan faint hopes of securing a first-innings win and going into the last day yesterday he still stood between Tuggeranong and victory.

The hopes of a batting revival were quickly extinguished in the first few overs of play yesterday when Jackson, in his second over of the day, had Bulger caught at the wicket by Ken Rooke after he had added just four to his overnight score of 60.

With the dismissal of Bulger, still 96 runs short of the Tuggeranong total, went his side's chances of taking the match and after a few flourishes from Scott Vidler the innings came to an abrupt end when Jackson had the left-hander fend off a short delivery and the ball lobbed to Nemes just behind square leg.

It was a gallant attempt by Queanbeyan to get back into the match after its early collapse but the Tuggeranong team was not about to let

its chance slip after being on top for the most part of the match.

Jackson's figures of 5-58 from 23.3 overs told the story but he received great support from McEhinney with 2-33 and Moore 2-31. When the stumps were swapped up 20 minutes after the start of play there was still time for Queanbeyan to get back into the match by blasting Tuggeranong out but a mixture of watchful defence and some wayward bowling soon extinguished any chance of that.

The early wicket of Tim Kerr for eight left a flame flickering but that died with a partnership of 52 between Macpherson and Stuart Ball for the second wicket.

In the second-grade final at Kingston, Queanbeyan had to survive some anxious moments before completing a comfortable win over Canberra North-Darmanian.

Needing only 68 runs going into the last day with seven wickets in hand Queanbeyan looked to be travelling comfortably with Rob Regent and Pat Mounic at the helm but the introduction of the new ball changed all that.

Ezra Bases brought new life to the game by collecting the wickets of Regent (54), Mounic (67) and Dominic Di Campi (15) while Ron Aschby removed Scott Banerman for one.

The efforts of Mounic and Regent had put Queanbeyan within reach of the win, however, and despite the lesson, Queanbeyan won its three wickets. The final score was Queanbeyan 7-241 beat Canberra North 237.

Tuggeranong opener Tim Kerr gets Queanbeyan's Scott Vidler delivery away on the legside during his team's second innings in the ACT Cricket Association first-grade final at Manuka Oval yesterday.

## CAPTAINS CORNER

---

Captains Corner is a place for a quick word from one of our fearsome leaders, or a seasoned veteran if we can't lock down a skipper. It might inspire, it might motivate, and it might even entertain.

This edition we've asked for our evergreen Club Captain Greg Lemin to share some wisdom.

To my Tuggies Clubmates

I've been given the honour of providing a piece for this edition's Captain's Corner. On the understanding that the Captain's Corner is a place for a word from one of the Club's fearsome leaders, or a seasoned veteran (if a skipper couldn't be locked down), I'm going to run with the category of seasoned veteran!

And so, with the mantle of both a seasoned veteran and the Club Captain, I thought that I'd write about what I see as being important for the Club – specifically with regards to our cricket performances.

For all Club's the pinnacle of performance at the end of each season is the Club Championship. This is a measure of the Club's success on the field. It is a true reflection of a Club's depth and strength throughout all teams (both Men's & Women's). You cannot win a Club Championship by merely having one or two teams doing well. All teams need to perform and contribute points throughout the season.

For me a Club's standing in the Championship is a direct result of the culture within that Club. If a Club is continually at the pointy end of the Championship table each season then they must be doing something right!

So what is our Club's culture? It is this issue which I would like to raise and give my two bob's worth on.

To identify and describe any organisation's culture is a very difficult proposition for it is a very imprecise, subjective thing. If I were to try and simplify it as much as possible then, to me, it is represented by our behaviour. Our behaviour is a direct result of our attitude.

What is the attitude that we each bring to the table? What is it that we want to achieve each training session, each game, each time that we represent the Club?

Without clearly knowing what this is within our own mind and without working on maintaining a good attitude then we will simply find ourselves going through the motions and not achieving all that we could. We will have inconsistent performances as our attitude fluctuates too much.

Cricket is a very strange game! It is very much a sport for individuals but played within a team environment. At any one time it is a sole individual who performs an action to which everyone else then needs to react. The bowler is the sole person who determines where a ball is bowled – the batsman is the only one who then affects what happens to that delivery – the individual fielders then react to what the batsmen has done.

# The Tuggies Tele

Welcome to the Tuggies Tele, a fortnightly view of what's been happening on and off the ground at the Mighty Tuggeranong Valley Cricket Club!

In this light we should look at our attitude through two different lenses. One for our own individual performance (selfish actions) and the other through that of the team's performance (unselfish actions). Without going into too much detail I see the following as examples of a 'good' attitude for these two different areas:-

## PERSONAL

- Improving our technical skills: bowling, batting, and fielding
- Achieving the right degree of physical fitness & health for ourselves

## TEAM

- Updating the scoreboard
- Getting batsmen's gloves / drinks out to them as soon as they call for them
- Turning up on time
- Finding enjoyment from & encouraging other team mate's performances and efforts

In having to put down in words what I have learnt about attitude over the (many) seasons of cricket I've reflected back upon what I was taught and had instilled into me. If I was to try and summarise this into some simple words and meanings I feel that the following would represent how I shape my attitude and how I see the Club's culture:

Respect	<ul style="list-style-type: none"> <li>• For the 'spirit of cricket';</li> <li>• For my Team &amp; Club mates;</li> <li>• For the umpires;</li> <li>• For the opposition</li> </ul>
Relentless	<ul style="list-style-type: none"> <li>• Unyielding effort;</li> <li>• Unbreakable will</li> </ul>
Ruthless	<ul style="list-style-type: none"> <li>• Uncompromising &amp; unwavering execution of skills to the best of our ability</li> <li>• A level of commitment that does not leave any regrets</li> </ul>

It is the space between our own two ears which determines our attitude. This is then reflected within our behaviour and actions.

So - how is it that you would like to behave and act ? For it is these things that subsequently determine the Club's culture.

I only hope that the ramblings of this old man help to spark / crystallise thoughts that may have been rattling around in your head.

If these help to reinforce and establish the Club's culture then I know that we will enjoy our time here that much more and will be ensuring that others joining the Club will also get to enjoy this same spirit and mateship.

Here's to plenty of Club Championships!!!

## CHISHOLM SNIPER

---

WOW the sniper was active this fortnight!

It takes lots of money, time and training to be a professional sniper. However, it is also takes a "special" bread of person to sit in a bell tower for hours on end, not being able to move, relieving yourself where you lay or sit, real "special" I say. But when they strike it is with devastating precision causing mass damage, just ask Private John "MJ" Stankovic and his nose job.

Private "MJ" Stankovic is a lucky man to survive the strike from the Chisholm sniper and live to tell the tale. And tell the tale he has, maybe that is why a not so reputable movie maker is producing the film Saving Private Stankovic sometime between now and never. With a start studded cast; Captain Shane "Accountability" Devoy, Corporal Kevin "He Deserves a Promotion" Chapman, Private Michael "The Good Solider" Barrington-Smith, Private Eric "Curls" Witheridge, and the star of the show Private John "MJ" Stankovic it plans to be a cracker with an ending harder to pick than a broken nose.

We had another one who wasn't so lucky or graceful, as face planting Stanks. Poor old Dan "Greyhound" Hesse endured a shot from the sniper at the unfortunate time of a catch of the ever so lucky Alex "Pissed of Panda" Floros. He was out of the gate quickly from short third man hunting a catch when he was unfortunately struck twice by the sniper, sorry struck twice, once by the sniper and once by the ball. With hands at full stretch Hesse unfortunately took the first hit, a 156 gram gut shot. Whilst falling to the ground like a ballet dancer being hit with a taser he took a hit breaking his collar bone. Not sure he remembers much after that, besides maybe singing "blow my whistle" as the Ambulance pulled away from the home of cricket.

And only a few over's later we had another man down moment. Although the swelling might be highly sort after I'm not sure the method in which Tommy "Red Ball" Seaman went about it was the most effective way. Unfortunately we saw that the Chisholm Sniper showed us just how good a shot he or she really is. With a 156 gram leather round the sniper hit a "little" Tommy at full tilt whilst charging in from long on for a catch. The only positive from the unfortunate strike was at least Tommy doesn't have a nut allergy.

## THE CHISHOLM SPOTLIGHT (THE QUICK FIRE 10... )

With another new face at the club we have decided to put Sam Dwyer under the spotlight this fortnight, Thanks Jakey for the questions:

*When was the last time you had a haircut?*

About a month ago I completely shaved it off to help raise some \$\$ for a workmate who had to go have brain surgery.

*When was the last time you had a haircut?*

About a month ago I completely shaved it off to help raise some \$\$ for a workmate who had to go have brain surgery.

*How many times a day do you brush your hair?*

Never really. My hair's not there to impress people..

*I think Jake likes your hair mate!*

*When are you going overseas... mid-season next?*

Hopefully 2019 for my Honeymoon. Aiming to hit up a fair chunk of the US and go see a couple of soccer games in England and Spain.

*Who would win an argument... Kevin Chapman or Shane Devoy?*

From what I know about these guys so far, a test match at Manuka would be over before these two could settle an argument.

*Best bloke in the club?*

It'd definitely have to be Jake Floros. New rock and #4 thanks skip :)

Nah, I couldn't pick out just one person. Everyone's been awesome to me so far, helping me out with anything I need.

*Most annoying bloke in the club?*

Anyone that openly supports the Pies with a VB tinny in one hand and a Vape in the other has to be up there.. Haha

*Better batsman... Alexander Floros or Chris Martin?*

1. Chris Martin (Coldplay)

2. Alex Floros

3. Chris Martin (Cricketer)

*How long have you played for TVCC?*

All of about 3 T20 matches, but I'll hopefully be here for years!

*Favourite aspect of the club?*

The spirit in the club. Everyone gets along and everyone's keen to chat with whoever about whatever. Add in the hunger to be the best in every grade, it's the perfect mix.

*How many catches on average do you drop a season?*

It really depends who is bowling. Panda's going to have a long season ahead if he keeps getting catches hit to me.. But I don't usually grass many. If I drop less than 5 in a season, it's a win.
